MEMORANDUM FOR THE RECORD

SUBJECT: DDA Exchange Editorial Board Meeting Minutes - 13 August 1980

The DDA Exchange Editorial Board met on 13 August 1980 prior to the first publication of a theme issue. Present were:

S (C)

OTR
S

Agenda items discussed were as follows:

- a. The deadline for submission of theme articles was extended two weeks to 15 September 1980.
- b. The advance warning for the next theme issue will be in excess of one quarter/year to give office Senior Editors ample time to solicit and receive an article.
- c. The Exchange printing process was briefly discussed. Basically the steps involve:

Editing (slight) and rekeying by MS/DDA
Editing ETECS proofs (1)
Editing second ETECS proof
G&VA layout and MS editing of layout
P&PD layout and MS editing dylux copy
Final publication

The cycle should take 4-6 weeks, but because of graphics or photographic requirements can take longer.

- d. I stressed the need for the articles to be our first priority and ETECS format or terminal input as a distant second priority, and offered our help with arrangements for graphics or photographic support.
